May 5, 2017

Dear fellow unitholders of Slate Retail REIT:

You are invited to attend an annual and special meeting (the “**Meeting**”) of the holders (“**Unitholders**”) of class A units, class I units, class U units and special voting units of Slate Retail REIT (the “**REIT**”), which will be held at the offices of McCarthy Tétrault LLP, Suite 5300, TD Bank Tower, Box 48, 66 Wellington Street West, Toronto, Ontario, M5K 1E6 on June 20, 2017 at 10:00 a.m. EST.

At the Meeting, Unitholders will be asked to vote on:

- (i) an ordinary resolution re-appointing Deloitte LLP as the auditors of the REIT for the ensuing year and authorizing the trustees of the REIT to fix the remuneration of such auditors;
- (ii) an ordinary resolution electing Samuel Altman, Colum Bastable, Thomas Farley, Patrick Flatley, Andrea Stephen, Blair Welch and Brady Welch as the trustees of the REIT for the ensuing year; and
- (iii) a special resolution authorizing and approving an amendment and restatement of the REIT’s declaration of trust for the purposes of making the features of the class A units, class I Units and class U units consistent among all three classes, without changing the relative economics of the different classes of units on a post-conversion basis, and certain consequential amendments and administrative amendments.

At the meeting, you will hear about the REIT’s direction and plans for the coming year. You will also be able to meet and ask questions of the board of trustees and management.

The accompanying management information circular describes the business to be conducted at the meeting and also describes the REIT’s governance practices.

Your vote matters. You may exercise your vote by completing the proxy voting form or voting information form or by attending the meeting.

We encourage you to attend the meeting to hear about our annual results and learn more about our plans for the REIT.

We look forward to seeing you at the Meeting.

Yours very truly,

“*Greg Stevenson*”

The specific details of the foregoing matters to be put before the Meeting are set forth in the Information Circular under “*Business of the Meeting*”, accompanying and forming part of this Notice of Annual and Special Meeting.

The Board of Trustees has fixed May 10, 2017 as the record date (the “**Record Date**”) for the purpose of determining holders of Units entitled to receive notice of and to vote at the Meeting. Any holder of Units of record at the close of business on the Record Date is entitled to vote the Units registered in such Unitholder’s name at that date on each matter to be acted upon at the Meeting.

To be approved, the Auditor Resolution and the Trustee Resolution each must receive the affirmative vote of not less than a majority of the votes cast thereon by holders of the Class A Units, Class I Units, Class U Units and Special Voting Units, with such Unitholders voting together as a single class.

To be approved, the DOT Resolution must receive the affirmative vote of not less than two-thirds of the votes cast thereon by holders of the Class A Units, Class I Units, Class U Units and Special Voting Units, with such Unitholders voting together as a single class.

For the Meeting, a quorum is present if there are two or more individuals present in person or represented by proxy, holding or representing by proxy in aggregate at least 10% of the total number of outstanding Units.

Unitholders who hold their Units with a bank, broker or other financial intermediary are not registered Unitholders. If you are not a registered Unitholder, you will have received a request for voting instructions

from your broker or other nominee. Please complete and return your voting instruction form in accordance with the directions on the voting instruction form. To be effective, a voting instruction form must be received no later than 10:00 a.m. EST on June 16, 2017. If you plan to attend the Meeting and wish to vote in person, please follow the instructions on the enclosed voting instruction form to appoint yourself, instead of the management nominees, to vote at the Meeting. Non-registered Unitholders must take the necessary steps to appoint themselves if they wish to vote at the Meeting in person. Please take the time to ensure your vote is included at the Meeting.

Notice-and-Access

The REIT has elected to use the notice-and-access provisions under National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) and National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”, and together with NI 51-102, the “**Notice-and-Access Provisions**”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that allows issuers to post electronic versions of proxy-related materials on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to securityholders.

Electronic copies of this Notice of Annual and Special Meeting, the Information Circular and the REIT’s management’s discussion and analysis of the results of operations and financial condition of the REIT for the year ended December 31, 2016 and the audited consolidated financial statements of the REIT and accompanying notes for the year ended December 31, 2016 together with the auditor’s report thereon (the “**2016 MD&A and Financials**”) may be found on SEDAR at www.sedar.com and also on the REIT’s website at www.slateretailreit.com.

Unitholders are reminded to review the Information Circular before voting.

Unitholders will receive paper copies of a notice package (the “**Notice Package**”) via pre-paid mail containing a notice with information prescribed by NI 54-101 and a form of proxy (if you are a registered Unitholder) or a voting instruction form (if you are a non-registered Unitholder). The REIT will not use procedures known as ‘stratification’ in relation to the use of Notice-and-Access Provisions. Stratification occurs when an issuer using Notice-and-Access Provisions sends a paper copy of the Information Circular to some securityholders with a Notice Package.

Unitholders may obtain paper copies of the Information Circular, the 2016 MD&A and Financials free of charge by calling +1 (866) 393-4891 at any time up until the date of the Meeting, including any adjournment or postponement thereof. Any Unitholder wishing to obtain a paper copy of the meeting materials should submit their request no later than 10:00 a.m. EST on June 9, 2017 in order to receive paper copies of the meeting materials in time to vote before the Meeting. Unitholders may also use the toll-free number noted above to obtain more information about the Notice-and-Access Provisions. Under the Notice-and-Access Provisions, meeting materials will be available for viewing on the REIT’s website for one year from the date of posting.

DATED at Toronto, Ontario this 5th day of May, 2017.

By order of the Board of Trustees,

“Thomas Farley”

GENERAL INFORMATION

This information circular (“Information Circular”) is furnished in connection with the solicitation of proxies by and on behalf of management of Slate Retail REIT (the “REIT”) for use at the annual and special meeting (the “Meeting”) of the holders (the “Unitholders”) of class A units (“Class A Units”), class I units (“Class I Units”), class U units (“Class U Units”) and special voting units (“Special Voting Units”, and together with the Class A Units, Class I Units and Class U Units, the “Units”) of the REIT and any adjournment or postponement thereof. No person has been authorized to give any information or make any representation in connection with matters to be considered at the Meeting other than those contained in this Information Circular and, if given or made, any such information or representation must not be relied upon as having been authorized by the REIT or management of the REIT.

In this Information Circular, references to the REIT include its subsidiaries as required by the context. All dollar amounts are expressed in U.S. dollars (“US\$” or “\$”) unless otherwise indicated. All capitalized terms used in this Information Circular but not otherwise defined herein have the meanings set forth under “Glossary”.

PROXY AND VOTING INFORMATION

Beneficial Unitholders should read the information under “Proxy and Voting Information – Advice to Beneficial Unitholders” for an explanation of their rights.

Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by management of the REIT for use at the Meeting to be held at McCarthy Tétrault LLP, Suite 5300, TD Bank Tower, Box 48, 66 Wellington Street West, Toronto, Ontario, M5K 1E6 on June 20, 2017 at 10:00 a.m. EST and any adjournment or postponement thereof. **The information contained herein is given as of May 5, 2017, the date of this Information Circular, unless otherwise stated.**

The solicitation of proxies will be primarily by mail, subject to the use of Notice-and-Access Provisions in relation to delivery of the meeting materials, but proxies may also be solicited personally or by telephone by representatives of the REIT without special compensation or by such agents as the REIT may appoint. While no arrangements have been made to date, the REIT may contract with a professional proxy solicitation firm for the solicitation of proxies for the Meeting, which arrangements would include customary fees. The cost of solicitation will be borne by the REIT. The REIT may also pay brokers or nominees holding Units in their names or in the names of their principals for their reasonable expenses incurred in sending solicitation materials to their principals.

Unitholders who are unable to attend the Meeting in person are requested to complete, date, sign and return the accompanying form of proxy for use at the Meeting or any adjournment or postponement thereof to the attention of TSX Trust Company, 200 University Avenue, Suite 300, Toronto, Ontario M5H 4H1, Attention: Proxy Department (i) in the envelope provided, (ii) by email at tmxproxysupport@tmx.com, or (iii) by facsimile to 416-595-9593. To be effective, proxies must be received by TSX Trust Company not later than 10:00 a.m. EST on June 16, 2017 or, if the Meeting is adjourned or postponed, 48 hours (excluding Saturdays, Sundays and statutory holidays) before any adjourned or postponed Meeting.

Notice-and-Access

The REIT is sending out proxy-related materials to Unitholders using the notice-and-access provisions under National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102”) and National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) and together with NI 51-102, the “Notice-and-Access Provisions”). The REIT anticipates that use of the Notice-and-Access Provisions will directly benefit the REIT by reducing the postage and material

costs associated with the printing and mailing of the proxy-related materials and will additionally reduce the environmental impact of such actions.

Unitholders will be provided with electronic access to the Notice of Annual and Special Meeting, this Information Circular and the REIT's management's discussion and analysis of the results of operations and financial condition of the REIT for the year ended December 31, 2016 and the audited consolidated financial statements of the REIT and accompanying notes for the year ended December 31, 2016 together with the auditor's report thereon (the "**2016 MD&A and Financials**") on SEDAR at www.sedar.com and on the REIT's website at www.slateretailreit.com. The annual information form for the year ended December 31, 2016 (the "**Annual Information Form**") can also be found on SEDAR and the REIT's website.

Unitholders will receive paper copies of a notice package (the "**Notice Package**") via pre-paid mail containing a notice with information prescribed by NI 54-101 and a form of proxy (if you are a registered Unitholder) or a voting instruction form (if you are a non-registered Unitholder). The REIT will not use procedures known as 'stratification' in relation to the use of Notice-and-Access Provisions. Stratification occurs when an issuer using Notice-and-Access Provisions sends a paper copy of the Information Circular to some securityholders with a Notice Package.

Unitholders may obtain paper copies of the Information Circular and the 2016 MD&A and Financials free of charge by calling +1 (866) 393-4891 at any time up until the date of the Meeting, including any adjournment or postponement thereof. Any Unitholder wishing to obtain a paper copy of the meeting materials should submit their request no later than 10:00 a.m. EST on June 9, 2017 in order to receive paper copies of the meeting materials in time to vote before the Meeting. Unitholders may also use the toll-free number noted above to obtain more information about the Notice-and-Access Provisions. Under the Notice-and-Access Provisions, meeting materials will be available for viewing on the REIT's website for one year from the date of posting.

Record Date

The REIT will prepare a list of Unitholders of record as of the close of business on May 10, 2017 (the "**Record Date**"). Unitholders named on that list will be entitled to receive notice of and vote at the Meeting or any adjournment or postponement thereof, even though he/she/it has since the Record Date disposed of his/her/its Units, and no Unitholder becoming such after the Record Date will be entitled to receive notice of and vote at the Meeting or any adjournment or postponement thereof or to be treated as a Unitholder of record for purposes of such other action. Each Unitholder is entitled to one vote at the Meeting for each Unit held as provided herein.

Appointment of Proxies

A Unitholder has the right to appoint a person (who need not be a Unitholder), other than persons designated in the form of proxy accompanying this Information Circular, as nominee to attend at and act for and on behalf of such Unitholder at the Meeting. This right may be exercised by inserting the name of such person in the blank space provided on the form of proxy applicable to the Meeting.

A form of proxy will not be valid for the Meeting or any adjournment or postponement thereof unless it is completed and delivered to TSX Trust Company no later than 10:00 a.m. EST on the second last Business Day immediately preceding the date of the Meeting or any adjournment or postponement thereof, in accordance with the delivery instructions contained above under "*Proxy and Voting Information – Solicitation of Proxies*".

Revocation of Proxies

Proxies given by Unitholders for use at the Meeting may be revoked at any time prior to their use. Subject to compliance with the requirements described in the following paragraph, the giving of a proxy will not affect the right of a Unitholder to attend and vote in person at the Meeting.

In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Unitholder or his/her attorney duly authorized in writing, or, if the Unitholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized and deposited with TSX Trust Company, in a manner provided above under “*Proxy and Voting Information – Solicitation of Proxies*”, at any time up to and including 10:00 a.m. EST on the second last Business Day immediately preceding the date of the Meeting, or any adjournment or postponement thereof, as applicable, or, with the Chair at the Meeting on the day of such meeting or any adjournment or postponement thereof, and upon any such deposit, the proxy is revoked.

Advice to Beneficial Unitholders

The information set forth in this section is of significant importance to a majority of Unitholders as they do not hold their Units in their own names, rather they are held through a broker, dealer, bank, trust company or other nominee (such Unitholders are referred to as “**Beneficial Unitholder(s)**”). Such Units are not registered in the Unitholder’s own name on the records of the REIT maintained by TSX Trust Company and are instead registered in the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc. (“**CDS**”), which acts as nominee for many Canadian brokerage firms). Units held by brokers or their agents or nominees can only be voted (for or against Resolutions) upon the instructions of the Beneficial Unitholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Units for the brokers’ clients. **Therefore, each Beneficial Unitholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Applicable Canadian regulatory policy requires brokers or other nominees to seek voting instructions from Beneficial Unitholders in advance of unitholders’ meetings by forwarding a voting instruction form (Form 54-101F7 – *Request for Voting Instructions made by Intermediary* (“**Form 54-101F7**”)) under NI 54-101. Brokers and other nominees have their own mailing and delivery procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Unitholders in order to ensure that their Units are voted at the Meeting. In Canada, many brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”). In most cases, Broadridge mails a scannable voting instruction form and asks Beneficial Unitholders to return the form to Broadridge. Alternatively, Beneficial Unitholders can either call Broadridge’s toll free telephone number to provide voting instructions, or access Broadridge’s dedicated voting web site at www.proxyvote.com to deliver their voting instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions to the REIT respecting the voting of Units to be represented at the Meeting.

A Beneficial Unitholder will not be recognized directly at the Meeting for the purposes of voting Units registered in the name of his/her/its broker; however, a Beneficial Unitholder may attend the Meeting as proxy holder for the registered Unitholder and vote the Units in that capacity. **Beneficial Unitholders who want to attend the Meeting in person and vote as proxy holder can enter their own names or the names of their appointees in the place provided for that purpose in the voting instruction form provided to them and return the same to their intermediary (or the intermediary’s agent) in accordance with the instructions provided by such broker.** Subject to the basic requirements described below, intermediaries do have flexibility as to the specific method used to appoint Beneficial Unitholders as proxy holders, and Beneficial Unitholders should carefully follow all instructions they receive.

An intermediary who is the registered holder of, or holds a proxy in respect of, securities owned by a Beneficial Unitholder must arrange, without expense to the Beneficial Unitholder, to appoint the Beneficial Unitholder or a nominee of the Beneficial Unitholder as a proxy holder in respect of those securities if the Beneficial Unitholder has instructed the intermediary to do so using either of the following methods (i) the Beneficial Unitholder filled in and submitted the Form 54-101F7 previously sent to the Beneficial Unitholder by the intermediary, or (ii) the Beneficial Unitholder submitted any other document in writing that requests that the Beneficial Unitholder or a nominee of the Beneficial Unitholder be appointed as a proxy holder. If an intermediary appoints a Beneficial Unitholder or a nominee of the Beneficial Unitholder as a proxy holder as aforesaid, the Beneficial Unitholder or nominee of the Beneficial Unitholder, as

applicable, must be given the authority to attend, vote and otherwise act for and on behalf of the intermediary in respect of all matters that may come before the Meeting and any adjournment or continuance thereof, unless applicable law does not permit the giving of that authority. An intermediary who appoints a Beneficial Unitholder as proxy holder as aforesaid must deposit the proxy within the timeframe specified above, if the intermediary obtains the instructions at least one Business Day before the termination of that time.

Beneficial Unitholders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries. Pursuant to NI 54-101, issuers may obtain and use the NOBO list in connection with any matters relating to the affairs of the issuer, including the distribution of proxy-related materials directly to NOBOs. The REIT is sending meeting materials directly to NOBOs; the REIT uses and pays intermediaries and agents to send the meeting materials. The REIT also intends to pay for intermediaries to deliver the meeting materials to OBOs.

Beneficial Unitholders should contact their broker or other intermediary if they have any questions regarding the voting of Units held through that broker or other intermediary.

Voting of Proxies

The persons named in the form of proxy accompanying this Information Circular have indicated their willingness to represent as proxy the Unitholder who appointed them. Each Unitholder may instruct his/her/its proxy how to vote his/her/its Units by completing the blanks on the proxy form.

Units represented by properly executed proxy forms in favour of the person designated on the form will be voted for, against or withheld from voting (as the case may be), in accordance with the instructions given on the proxy forms. In the absence of such instructions, the Units will be voted “FOR” the Resolutions.

The proxy form accompanying this Information Circular confers discretionary authority upon the persons named therein with respect to amendments and variations to matters identified in the accompanying Notice of Annual and Special Meeting and with respect to any other matters which may properly come before the Meeting. As at the date of this Information Circular, management of the REIT know of no such amendments, variations or other matters to come before the Meeting.

Blair Welch and Brady Welch, trustees of the REIT, exercise control or direction over the Special Voting Units owned by Queens Court Advisors Ltd. in their capacity as directors of such corporation.

BUSINESS OF THE MEETING

Overview

The Meeting will be constituted as a general and special meeting of the REIT. The audited financial statements of the REIT for the period ended December 31, 2016 and the auditor's report thereon will be tabled before the Unitholders at the Meeting for discussion. The audited financial statements have been approved by the Audit Committee and the Board. In addition, at the Meeting, the Unitholders will be asked to consider and, if thought fit, pass (i) an ordinary resolution re-appointing Deloitte LLP as the auditors of the REIT for the ensuing year and authorizing the trustees to fix the remuneration of such auditors, the full text of which is set forth in Appendix "A" (the "**Auditor Resolution**"), (ii) an ordinary resolution electing Samuel Altman, Colum Bastable, Thomas Farley, Patrick Flatley, Andrea Stephen, Blair Welch and Brady Welch as the trustees of the REIT for the ensuing year, the full text of which is set forth in Appendix "B" (the "**Trustee Resolution**"), and (iii) a special resolution authorizing and approving an amendment and restatement of the Declaration of Trust (the "**Third A&R DOT**") for the purposes of making the features of the Class A Units, Class I Units and Class U Units consistent among all three classes, without changing the relative economics of the different classes of units on a post-conversion basis, and certain consequential amendments and administrative amendments, the full text of which is set forth in Appendix "C" (the "**DOT Resolution**").

If you do not specify how you want your Units voted, the persons named as proxy holders will cast the votes represented by proxy at the Meeting FOR the applicable Resolution.

To be approved, the Auditor Resolution and the Trustee Resolution each must receive the affirmative vote of not less than a majority of the votes cast thereon by holders of the Class A Units, Class I Units, Class U Units and Special Voting Units, with such Unitholders voting together as a single class.

To be approved, the DOT Resolution must receive the affirmative vote of not less than two-thirds of the votes cast thereon by holders of the Class A Units, Class I Units, Class U Units and Special Voting Units, with such Unitholders voting together as a single class.

For the Meeting, a quorum is present if there are two or more individuals present in person or represented by proxy, holding or representing by proxy in aggregate at least 10% of the total number of outstanding Units.

Financial Statements

2016 MD&A and Financials may be accessed on SEDAR at www.sedar.com, the REIT's website at www.slateretailreit.com, or may be obtained from the secretary of the REIT upon request and will be available at the meeting.

Appointment of External Auditor

Deloitte LLP was first appointed auditor of the REIT January 18, 2012. Upon the recommendation of the Audit Committee, the Board of Trustees of the REIT recommends that Deloitte LLP be reappointed as the REIT's auditors to hold office until the close of the next annual meeting and that the trustees be authorized to fix their remuneration.

This reappointment of Deloitte LLP as auditors must be approved by a simple majority of votes cast by Unitholders at the meeting. Representatives of Deloitte LLP will be present at the Meeting and will be given the opportunity to make a statement if they so wish and will respond to appropriate questions.

The following chart summarizes the fees of Deloitte LLP for services during 2016 and 2015 for audit fees and non-audit related services:

Election of Trustees

The number of trustees to be elected at the Meeting is seven. Peter Tesché will be retiring from the Board and will not be standing for re-election. The Board has nominated a new trustee, Andrea Stephen, to be elected at the Meeting. Assuming Andrea Stephen is elected, her appointment to the Board of Trustees would be effective as of the date of the Meeting. Trustees are elected by Unitholders annually and, unless re-elected, retire from office at the end of the next annual general meeting of Unitholders.

Pursuant to the Management Agreement, the Manager, has the right to nominate two trustees to stand for election to the Board (the "**Slate Nominees**") during the term of the Management Agreement.

Other than the Slate Nominees, the nominees for election of the trustees have been determined by the Compensation, Governance and Nominating Committee (the "**Governance Committee**") in accordance with the provisions of the Declaration of Trust. Special Business – DOT Resolution

The Unitholders are being asked to consider, and if thought fit, pass the DOT Resolution for the purposes of making the features of the Class A Units, Class I Units and Class U Units consistent among all three classes and making certain consequential amendments and administrative amendments. Management of the REIT anticipates that eliminating these distinctions will alleviate confusion relating to the accounting treatment of the Units, as described below.

Overview

Currently, all holders of a Class A Unit, Class I Unit or Class U Unit are generally entitled to the same rights and obligations under the Declaration of Trust, subject to two main distinctions. First, the Class U Units and the Class I Units are denominated in U.S. dollars, whereas the Class A Units are denominated in Canadian dollars (although distributions and redemption proceeds are determined in U.S. dollars in respect of the Class A Units). Second, the distributions payable in respect of each class of unit differ based on the proportionate entitlement of each class, with each Class A Unit being entitled to 1.0078 times the distribution on one Class U Unit (the "**Proportionate Class A Interest**"), and each Class I Unit being entitled to 1.0554 times the distribution on one Class U Unit (the "**Proportionate Class I Interest**"). By way of background, the proportionate entitlement concept is also relevant where a holder of a Class A Unit or a Class I Unit elects to convert its units into Class U Units. That is, the number of Class U Units issuable per Class A Unit on conversion is 1.0078, and the number of Class U Units issuable per Class I Unit on conversion is 1.0554.

As a result of these distinctions, the Class A Units, Class I Units and Class U Units are not treated as 'identical' for accounting purposes, the consequence of which is that the units are treated as a liability of

the REIT under IFRS, with changes in the fair value of such units being recorded in the net income of the REIT. Management of the REIT believes that such treatment creates confusion in the capital markets (including in regards to how the REIT's capital structure compares to its competitors in the industry with only one class of units) and among prospective lenders to the REIT in evaluating the financial performance of the REIT. This confusion primarily exists when capital markets participants, including financial data providers and prospective lenders, apply standard financial metrics or analysis in their evaluation of the REIT's results of operations and financial position.

The Subdivision (as defined below) and the Third A&R DOT will not result in any material changes to the holders of any classes of Units. As described below, the effect of the Subdivision and the Third A&R DOT is merely to eliminate the distinctions between the classes of Units that are described above. Management of the REIT anticipates that eliminating these distinctions will result in the Units being treated as equity of the REIT under IFRS, which management of the REIT believes is appropriate, and that such implementation will thereby alleviate any confusion relating to the accounting treatment of the Units. Presenting Class A Units, Class I Units and Class U Units as equity instruments of the REIT would eliminate the presentation of such units on the REIT's consolidated statement of financial position and would not require changes in the fair value of such units to be recorded in the net income of the REIT.

Approval and Recommendation of the Board

The Board has unanimously determined that, subject to receipt of the Tax Ruling (as defined below), the implementation of the Subdivision and Third A&R DOT is in the best interests of the REIT and its Unitholders and recommends that Unitholders vote in favour of the DOT Resolution.

Subdivision

If the DOT Resolution is approved by the Unitholders at the Meeting and if the Tax Ruling is obtained, the REIT intends to subdivide each outstanding Class A Unit into 1.0078 Class A Units and each outstanding Class I Unit into 1.0554 Class I Units (the "**Subdivision**"). As a consequence of the Subdivision, and to ensure the financial neutrality of such changes, the Proportionate Class A Interest and the Proportionate Class I Interest will be adjusted to 1.0 and all Class A Units, Class I Units and Class U Units will have equal rights with respect to distributions from the REIT, redemptions of units and on the termination of the REIT. Each Class A Unit and each Class I Unit would remain convertible into a Class U Unit but the conversion ratio would be on a one-for-one-basis. As a result of the Subdivision, each holder of a Class A Unit or Class I Unit will receive the same number of Class A Units or Class I Units (as the case may be) as the number of Class U Units the holder would have received if such Class A Unit or Class I Unit had been converted into a Class U Unit pursuant to the terms of the current Declaration of Trust (including that any fractional interest of a holder resulting from the Subdivision will be rounded down in the same manner as would occur under the current Declaration of Trust pursuant to a conversion into Class U Units).

It is expected that the Subdivision will be completed by the REIT as soon as practicable following the approval of the DOT Resolution and the receipt of the Tax Ruling, and that the Third A&R DOT would come into effect contemporaneously with the Subdivision to ensure the financial neutrality of such adjustments. Prior to such time, the current Declaration of Trust will remain in effect without amendment.

The Subdivision is expected to be approved by the Board in accordance with its authority under the Declaration of Trust, and as such, the Unitholders are not being asked to approve the Subdivision. However, as outlined below, Unitholders are being asked to approve certain consequential amendments to the Declaration of Trust that are associated with the Subdivision.

Third A&R DOT

The proposed changes that would be made in the Third A&R DOT are attached as Appendix C-1 to the DOT Resolution. Such changes would generally provide: (i) that the Class A Units would be denominated in U.S. dollars (rather than Canadian dollars) and that distributions, liquidation and redemption amounts on the Class A Units would continue to be determined and declared in U.S. dollars; (ii) that each Class A

Unitholder would receive payments of distributions, liquidation and redemption amounts from the REIT in U.S. dollars, provided that each Class A Unitholder (like other Unitholders) will have the option to elect to receive such payments in Canadian dollars, and that such election to receive payments in Canadian dollars will have been deemed to have been made by each Class A Unitholder unless such Unitholder elects otherwise (where an election to receive payments in Canadian dollars is made, amounts will be converted into Canadian dollars at the spot exchange rate available to the REIT at the time of and in respect of such payment); (iii) for certain consequential amendments associated with the Subdivision Actions; and (iv) for certain administrative clean-up changes.

Certain Canadian Federal Income Tax Considerations

The following is a general summary, as of the date hereof, of certain Canadian federal income tax considerations relevant to a holder of Units in relation to the matters contemplated by the DOT Resolution and the Subdivision.

This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any Unitholder and no such representation is made. Unitholders should consult their own tax advisors with respect to their particular circumstances and with respect to the Canadian tax and non-Canadian tax considerations that may be relevant to them.

The implementation of the Third A&R DOT and the Subdivision (excepting any rounding for fractional interests) are not, in and by themselves, expected to result in a disposition by any Unitholder of its Units in the REIT or result in a disposition by the REIT of any of its property or in a resettlement of the REIT for purposes of the *Income Tax Act* (Canada).

The REIT has applied to the CRA for an advance income tax ruling in respect of the implementation of the Third A&R DOT and the Subdivision to confirm the foregoing tax treatment and certain other income tax issues. Receipt of a favourable tax ruling in form and substance acceptable to the Board (such an acceptable ruling, the “**Tax Ruling**”) is a precondition to proceeding to implement the DOT Resolution and the Subdivision. There can be no assurance that the CRA will issue a tax ruling or that such a ruling will be in a form acceptable to the REIT.

Procedures Relevant for Holders of Class A Units and Class I Units

Assuming the DOT Resolution is approved, the Tax Ruling is obtained and the Board implements the Subdivision and the DOT Resolution, a letter of transmittal is expected to be delivered to registered holders of Class A Units and Class I Units in connection with the Subdivision.

Registered Unitholders will be asked to complete and return the letter of transmittal, together with the certificate(s) representing their Class A Units or Class I Units, to the Depository in accordance with the instructions set forth in the letter of transmittal. Any use of the mail to transmit a certificate for Class A Units or Class I Units and the related letter of transmittal is at the risk of the Unitholder. If these documents are mailed, it is recommended that registered mail, with return receipt requested, properly insured, be used. Whether or not a holder of Class A Units or Class I Units forwards the certificate representing their units, each Class A Unit and Class I Unit will be subdivided in accordance with the terms of the Subdivision as described above. Where a certificate for Class A Units or Class I Units has been destroyed, lost or misplaced, the registered holder of that certificate should immediately contact the Depository regarding the issuance of a replacement certificate upon the holder satisfying such requirements as may be imposed by the REIT in connection with the issuance of the replacement certificate.

The letter of transmittal delivered to registered holders of Class A Units and Class I Units will also allow holders of Class A Units and Class I Units to exercise their existing right to convert their existing units into Class U Units in accordance with their rights under Section 8.3 of the Third A&R DOT.

CORPORATE GOVERNANCE DISCLOSURE

General

The Board currently consists of seven trustees. Peter Tesché will be retiring from the Board and will not be standing for re-election. The Board has nominated a new trustee, Andrea Stephen, to be elected at the Meeting. Assuming Andrea Stephen is elected, her appointment to the Board of Trustees would be effective as of the date of the Meeting. As a result, the number of Trustees to be elected at the Meeting is seven. Of these seven trustees, five trustees – Samuel Altman, Colum Bastable, Patrick Flatley, Thomas Farley and Andrea Stephen are “independent” in accordance with the definition of “independence” set forth in National Instrument 58-101 – *Disclosure of Corporate Governance Practices*. Brady Welch and Blair Welch are not “independent” by virtue of their relationships with the Manager. The Independent Trustees hold *in camera* meetings at which non-Independent Trustees and members of management are not in attendance. For the year ended December 31, 2016, the Independent Trustees held at least 26 of such meetings.

The chair of the Board (“**Chair**”), Thomas Farley, is independent. The Chair is responsible for (i) leading, managing and organizing the Board, (ii) promoting cohesiveness among the trustees, (iii) acting as Chair of the meetings of the Board, including establishing procedures to govern the Board’s work to ensure the Board can conduct its work effectively and efficiently, (iv) acting as a liaison between the Board and management through the Chief Executive Officer of the REIT, and (v) promoting the provision of information to the trustees on a timely basis to keep the trustees apprised of matters which are material to them.

Committees

The Board has three committees: the audit committee (the “**Audit Committee**”), comprised of Colum Bastable (chair), Samuel Altman, Peter Tesché and Thomas Farley, the compensation, governance and nominating committee (the “**Governance Committee**”), comprised of Peter Tesché (chair), Samuel Altman, Colum Bastable and Thomas Farley, and the investment committee (the “**Investment Committee**”), comprised of Thomas Farley (chair), Blair Welch, Samuel Altman, Peter Tesché and Patrick Flatley.

Assuming Andrea Stephen is elected, she would be appointed to the Governance Committee, the Audit Committee and the Investment Committee of the REIT, and Colum Bastable would be appointed Chair of the Governance Committee.

Additional information regarding the Audit Committee, the Governance Committee and the Investment Committee (collectively, the “**Committees**”) can be found under the heading “*Trustees and Executive Officers of the REIT*” in the Annual Information Form.

Board Mandate

The Board is responsible for the general stewardship of the REIT. It is elected by Unitholders to supervise management of the REIT’s business with the goal of enhancing the REIT’s long-term unitholder value. The Board has adopted a charter which reflects the REIT’s commitment to high standards of governance. The charter also assists the Board in supervising the management of the REIT.

The Board has also adopted a charter for the Chair. These charters contribute to establishing appropriate limits on management’s authority. The Board’s charter, which is expressly incorporated by reference herein, is available on SEDAR at www.sedar.com or on the REIT’s website at www.slateretailreit.com under “Governance”.

The Board oversees the management of the REIT. Management is responsible for general day-to-day management of the REIT and for making recommendations to the Board with respect to long-term strategic, financial, organizational and related objectives.

The roles and responsibilities of the Board are intended to primarily focus on the formulation of long-term strategic, financial and organizational goals for the REIT and on the monitoring of management performance. The Board is responsible for overseeing a management-driven strategic planning process and approves the REIT's strategic plan.

The Board reviews and approves the REIT's financial objectives and short and long-term business plans for the REIT's business and monitors financial and operating performance. The Board also approves significant capital allocations and expenditures and reviews and approves all material transactions, being all matters that would be expected to have a major impact on Unitholders or creditors.

Position Descriptions

The Board has developed a written position description in the form of a charter for the Chair. The Board has also developed written position descriptions in the form of a charter for the chair of each Committee. In addition, the Board has developed a written position description for the Chief Executive Officer.

Orientation and Continuing Education

The REIT has an orientation program for new trustees which addresses the role of the Board, its Committees and individual members and provides a reference manual of materials, which includes (among other things) (i) the Declaration of Trust, (ii) material agreements and documents related to the REIT, (iii) charters for the Board and the Committees, (iv) a description of the REIT's legal and organizational structure, and (v) operational plans, financial reports, other reports and corporate policies. In addition, the Board and members of management organize presentations by external legal counsel on new legislative and policy developments that affect the Board, arrange one-on-one briefings with the Board, the Chair, the Chief Executive Officer and the Chief Financial Officer and set aside time for social interaction with the Board and management. The Board orientation program is reviewed annually by the Governance Committee and the Board and feedback from newly oriented trustees is incorporated into the program from time to time.

The Governance Committee is responsible for the ongoing education of trustees. Continuing education contributes to the awareness of the Board with respect to changes and developments in the following areas: legislative, policy and accounting developments, risk, insurance, governance, market performance, competitive analysis, investment opportunities and environmental issues. The Board's continuing education program has five components (i) management presentations, (ii) presentations and information solicited from external advisors (including legal, accounting and consulting firms), (iii) accredited programs, and (iv) site visits. Education matters involving management and external advisors take place at regularly scheduled Board meetings and *in camera* sessions. Trustees are provided opportunities to visit the REIT's properties as well as those of competitors. The continuing education program is reviewed annually by the Governance Committee and the Board.

Ethical Business Conduct

It is the policy of the REIT that all activities be conducted with the highest standards of fairness, honesty and integrity and in compliance with all legal and regulatory requirements. The REIT's Code of Conduct (the "Code") has been endorsed by the Board and applies to the trustees and officers of the REIT and employees of the Manager.

The Code emphasizes protection of the REIT's assets and resources, protection of confidential information, insider trading rules, conflicts of interest, disclosure, compliance with laws, rules and regulations and fair dealing.

The Board has responsibility for ensuring that the Code and compliance related policies and management systems are effectively implemented. Monitoring compliance with the Code is done through reports, meetings, audits and consultation with the Manager. The Code, which is reviewed annually by the Governance Committee and approved by the Board, is available on SEDAR at www.sedar.com, the REIT's website at www.slateretailreit.com or upon request to the REIT.

In an effort to ensure the exercise of independent judgement, the Board appoints a non-executive, Independent Trustee to act as the Chair. Keeping the REIT's Chief Executive Officer and Chair positions separate allows the Board to more effectively oversee management and enhance accountability. Having an independent Chair fosters strong leadership, robust discussion and effective decisions, while avoiding potential conflicts of interest. In addition, the Declaration of Trust contains "conflict of interest" provisions to protect Unitholders without creating undue limitations on the REIT. As the trustees may be engaged in a wide range of real estate and other activities, the Declaration of Trust contains provisions, similar to those contained in the *Canada Business Corporations Act*, that require each trustee to disclose to the REIT, at the first meeting of trustees of the REIT at which a proposed contract or transaction is considered, any interest in a material contract or transaction or proposed material contract or transaction with the REIT (including a contract or transaction involving the making or disposition of any investment in real property or a joint venture agreement) or the fact that such person is a director or officer of or otherwise has a material interest in any person who is a party to a material contract or transaction or proposed material contract or transaction with the REIT. If a material contract or transaction or proposed material contract or transaction is one that in the ordinary course would not require approval by the trustees of the REIT, a trustee will be required to disclose in writing to the REIT, or request to have entered into the minutes of meetings of trustees, the nature and extent of his or her interest forthwith after the trustee becomes aware of the contract or transaction or proposed contract or transaction. In any case, a trustee who has made disclosure to the foregoing effect will not be entitled to vote on any resolution to approve the contract or transaction unless the contract or transaction relates to his or her remuneration or an indemnity under the provisions of the Declaration of Trust or liability insurance. All decisions of the Board will require the approval of a majority of the trustees of the REIT present in person or by phone at a meeting of the Board.

Nomination of Trustees

The Governance Committee, which is composed entirely of Independent Trustees, is primarily responsible for succession planning, including the identification and nomination of trustees other than the Slate Nominees. The Board's succession planning process is comprised of a review of the size of the Board, a skills assessment and a Board and trustee evaluation process. Annually, the Governance Committee reviews the size of the Board and determines the appropriate size based on the outcome of a trustee peer review, the projected workload requirements and the results of a Board effectiveness review. The Governance Committee reviews the skills represented on the Board annually. If there is a skills gap, the Governance Committee may address the matter by increasing the size of the Board, replacing an incumbent or enhancing Board education.

If a vacancy is to be filled, the Governance Committee uses selection criteria to prioritize and select potential candidates. In addition to having the basic characteristics of integrity, good judgment, financial knowledge, and sufficient time available, potential candidates should also have experience in any of such areas as capital markets, real estate management or governance. The Board considers gender, ethnic background, geographic origin and other personal characteristics together with the skills, experience, character and behavioural qualities of each individual when determining the value which a candidate could bring to the Board. Candidates are identified through formal and informal search processes. Interviews are conducted by the Governance Committee and, depending on the pool of candidates a short list of candidates is put before the Board for consideration. Prior to nomination, new trustees are given a clear indication of the workload and time commitment required. The Board approves nominations for trustees; provided, however that pursuant to the Management Agreement, the Manager has the right to nominate two trustees.

More information on the responsibilities, powers and operation of the Governance Committee can be found under the heading "*Trustees and Executive Officers of the REIT – Compensation, Governance and Nominating Committee*" in the Annual Information Form.

Compensation

The Governance Committee, which is comprised entirely of Independent Trustees, is responsible for determining the compensation of the trustees of the REIT. The REIT's senior management team currently

consists of individuals employed and compensated by the Manager. As a result, the Governance Committee does not currently have any direct responsibilities or powers in respect of executive compensation matters.

More information on the responsibilities, powers and operation of the Governance Committee can be found under the heading “*Trustees and Executive Officers of the REIT – Compensation, Governance and Nominating Committee*” in the Annual Information Form and under the heading “*Statement of Trustee Compensation*” in this Information Circular.

Assessments

The Governance Committee approaches the evaluation of the trustees through two anonymous questionnaires administered confidentially: (i) a Board and Committee evaluation, and (ii) a peer evaluation. The questionnaires provide for quantitative ratings and subjective comment in key areas and consider each trustee’s effectiveness in terms of business operations, strategy, Unitholder value, risk management, use of time, Board structure, size and process. A summary report on the questionnaires is presented to the Governance Committee and the Board. All trustees are subsequently provided with copies of the report. The Board meets to discuss the report, consider its findings and act on its recommendations. Each year, the Chair meets with each trustee individually to engage in open dialogue on any issues which either party wishes to raise, and uses the same meeting to discuss any specific issues that may have come up in the questionnaire process. Through this process each trustee receives feedback on his or her individual contribution to Board effectiveness.

Term Limits

The REIT does not have term limits for its trustees. While there is benefit to adding new perspectives to the Board from time to time, there are also benefits to be achieved through continuity and trustees having in depth knowledge of each facet of the REIT’s business, which necessarily takes time to develop. Pursuant to the Declaration of Trust, trustees are generally to be appointed (including the reappointment of incumbent trustees) at each annual and special meeting of the REIT, and in all cases, the term of any trustee will expire at the close of the next annual meeting of Unitholders following such trustee’s appointment.

Diversity

The REIT encourages diversity in the composition of the Board. The REIT does not have a formal policy regarding the representation of women on the Board. The Board is currently comprised of seven men and no women. Following the Meeting, and assuming all of the REIT’s Nominees are elected, the Board will be comprised of six men and one woman, such that approximately 14% of the REIT’s trustees will be women. While diversity is one issue of importance, the Board believes that the key to effective leadership is to choose trustees that, having regard to a wide array of factors, possess the range of necessary independence, skills, experience, commitment and qualifications that are best suited to fostering effective leadership and decision making at the REIT. As noted elsewhere in this Information Circular, the Board reviews its size and composition from time to time to determine the impact that the trustees have on its effectiveness, and the Board and management use a rigorous identification and selection process for new trustees, having regard to a variety of factors, and through these processes the Board believes that it is well-positioned to address any problems or deficiencies that may arise. Although the REIT and the Board do not believe that quotas or strict policies necessarily result in the identification or selection of the best candidates, the Board is mindful of the benefit of gender diversity on the Board and the need to maximize effectiveness of the Board and its decision making abilities. At present the Board believes that its trustees comprise an appropriate mix of individuals with accounting, financial, legal and general business experience that is appropriate for the REIT’s current size.

With respect to executive officer positions, the REIT is externally managed and has no control over the recruitment of the Manager’s employees.

Majority Voting Policy

The Board has a majority voting policy under which each trustee of the REIT should be elected by the vote of a majority of Units represented in person or by proxy at any meeting for the election of trustees. Accordingly, if any nominee for trustee receives, from the Units voted at the Meeting in person or by proxy, a greater number of Units withheld than Units voted in favour of his or her election, such trustee must promptly tender his or her offer to resign to the Chair, to take effect on acceptance by the Board. The Governance Committee will expeditiously consider the trustee's offer to resign and make a recommendation to the Board whether or not to accept it. Within 90 days of the Meeting, the Board will make a final decision and announce it by way of press release. This policy does not apply to a contested election of trustees, that is, where the number of nominees exceeds the number of trustees to be elected. Any trustee who offers his or her resignation will not participate in the deliberations of the Governance Committee or the Board with respect to whether or not to accept the resignation. In the event any such trustee fails to offer his or her resignation in accordance with the majority voting policy, the Board will not re-nominate the trustee. Subject to the provisions of the Declaration of Trust, the Board is not limited in any action it may take if a trustee's resignation is accepted, including appointing a new trustee to fill the vacancy.

Indemnification and Liability Insurance

The Declaration of Trust provides that each trustee of the REIT will be entitled to indemnification from the REIT in respect of the exercise of the trustee's powers and the discharge of the trustee's duties, provided that the trustee acted honestly and in good faith with a view to the best interests of the REIT or, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, where the trustee had reasonable grounds for believing that his or her conduct was lawful. In addition, the REIT has entered into indemnity agreements with each of its trustees and officers.

The REIT carries trustees' and officers' liability insurance. Under this insurance coverage, the REIT will be reimbursed for insured claims where payments have been made under indemnity provisions on behalf of its trustees and officers contained in the Declaration of Trust, subject to a deductible for each loss, which will be paid by the REIT. Individual trustees and officers will also be reimbursed for insured claims arising during the performance of their duties for which they are not indemnified by the REIT. Excluded from insurance coverage are illegal acts, acts which result in personal profit and certain other acts.

Indebtedness

None of the REIT's executive officers, trustees or employees or former executive officers, trustees or employees, or any associate or affiliate of any such person, is as of the date hereof, or has been since January 1, 2016, indebted to the REIT.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The REIT's executive officers are employed by the Manager and the REIT does not determine the amounts payable to the executive officers or directly or indirectly pay any compensation to them. Any variability in compensation paid by the Manager to the REIT's executive officers has no impact on the REIT's financial obligations under the Management Agreement.

The Manager determines the total compensation paid to the REIT's executive officers. In determining this compensation, the Manager considers, among other things, the Manager's business, results of operations and financial condition taken as a whole, including the REIT's operations.

The following officers qualified as the REIT's named executive officers in 2016: (i) Greg Stevenson, the REIT's Chief Executive Officer and (ii) Brady Welch, the REIT's Chief Financial Officer (the "**Named Executive Officers**") from April 14, 2014 to March 3, 2017. Robert Armstrong succeeded Brady Welch as Chief Financial Officer of the REIT, effective March 3, 2017.

Brady Welch has not received any compensation from the Manager that is attributable to time dedicated to the business and affairs of the REIT. A portion of the compensation paid by the Manager to Greg Stevenson during 2016 is attributable to time spent on the activities of the REIT. No option awards to the Named Executive Officers were outstanding as at December 31, 2016, and no option-based or non-equity based incentive plan awards vested for the Named Executive Officers during 2016 in respect of the REIT.

⁽¹⁾ The REIT currently has no employees and bears no direct cost with respect to any staff. Executive compensation attributable to estimated time dedicated to the business and affairs of the REIT is paid by the Manager in accordance with the Manager's obligation under the Management Agreement to provide a management team to the REIT. These figures represent an estimate of the portions of Mr. Stevenson's salary paid by the Manager, out of the 2016 Manager's fees, attributable to time spent on activities of the REIT.

⁽²⁾ Brady Welch did not receive compensation from the Manager that is attributable to time dedicated to the business and affairs of the REIT.

⁽³⁾ Brady Welch served as Chief Financial Officer of the REIT until March 3, 2017, when Robert Armstrong was appointed Chief Financial Officer.

Description of Compensation Framework

The compensation of the Named Executive Officers for their work in respect of the REIT includes three major elements: (1) base salary, (2) an annual cash bonus; and (3) deferred unit incentive plan. As a private company, the Manager's process for determining executive compensation is relatively straightforward, involving senior executive discussion. Each element is tailored based on the individuals' role and responsibility, however there is no one formal approach to determining compensation. Objectives and performance measures may vary from year to year as determined to be appropriate by the Manager.

Base salaries are intended to provide an appropriate level of fixed compensation that will assist in employee retention and recruitment. Base salaries are determined on an individual basis, taking into consideration the past, current and potential contribution to the success of the Manager, the position and responsibilities of the Named Executive Officer and competitive industry pay practices for other real estate investment trusts and corporations of comparable size. Increases in base salary are at the sole discretion of the Manager.

Annual cash bonuses are discretionary and are specific to the individual being incentivized. Annual cash bonuses are awarded based on qualitative and quantitative performance standards, and reward performance of the Named Executive Officer individually. The determination of the performance of the Named Executive Officer may vary from year to year depending on economic conditions and conditions in the real estate industry, and are based on various measures such as financial targets against budget, the meeting of acquisition objectives or other measures.

Officer Deferred Unit Plan

The REIT has established a deferred unit incentive plan (the “**Officer Deferred Unit Plan**”) for officers of the REIT, which was approved by Unitholders at the annual and special meeting of Unitholders held on May 11, 2016. The purpose of the Officer Deferred Unit Plan is to advance the interests of the REIT by enhancing the ability of the REIT to attract and motivate officers of the REIT and to reward such persons for their sustained contributions, to encourage such persons to take into account the long-term performance of the REIT and to promote a greater alignment of interests between officers of the REIT and Unitholders.

The Officer Deferred Unit Plan provides officers of the REIT with the opportunity to acquire deferred Class U Units (“**Deferred Class U Units**”) which represent a right to receive Class U Units. Officers of the REIT are eligible to participate in the Officers Deferred Unit Plan (“**Participants**”). Participants will receive any grants pursuant to the Officer Deferred Unit Plan on an annual basis. Deferred Class U Units will not entitle an officer of the REIT who elects to participate in the Officer Deferred Unit Plan to any voting or other Unitholder rights. The Officer Deferred Unit Plan is administered by the Governance Committee and the value of all grants pursuant to the Officer Deferred Unit Plan are paid in lieu of equivalent amounts of the Asset Management Fee (as defined below). For clarity, the Asset Management Fee payable in any year will be reduced by an amount equal to the amount of any grant pursuant to the Officer Deferred Unit Plan in such year.

Approach to Risk Management

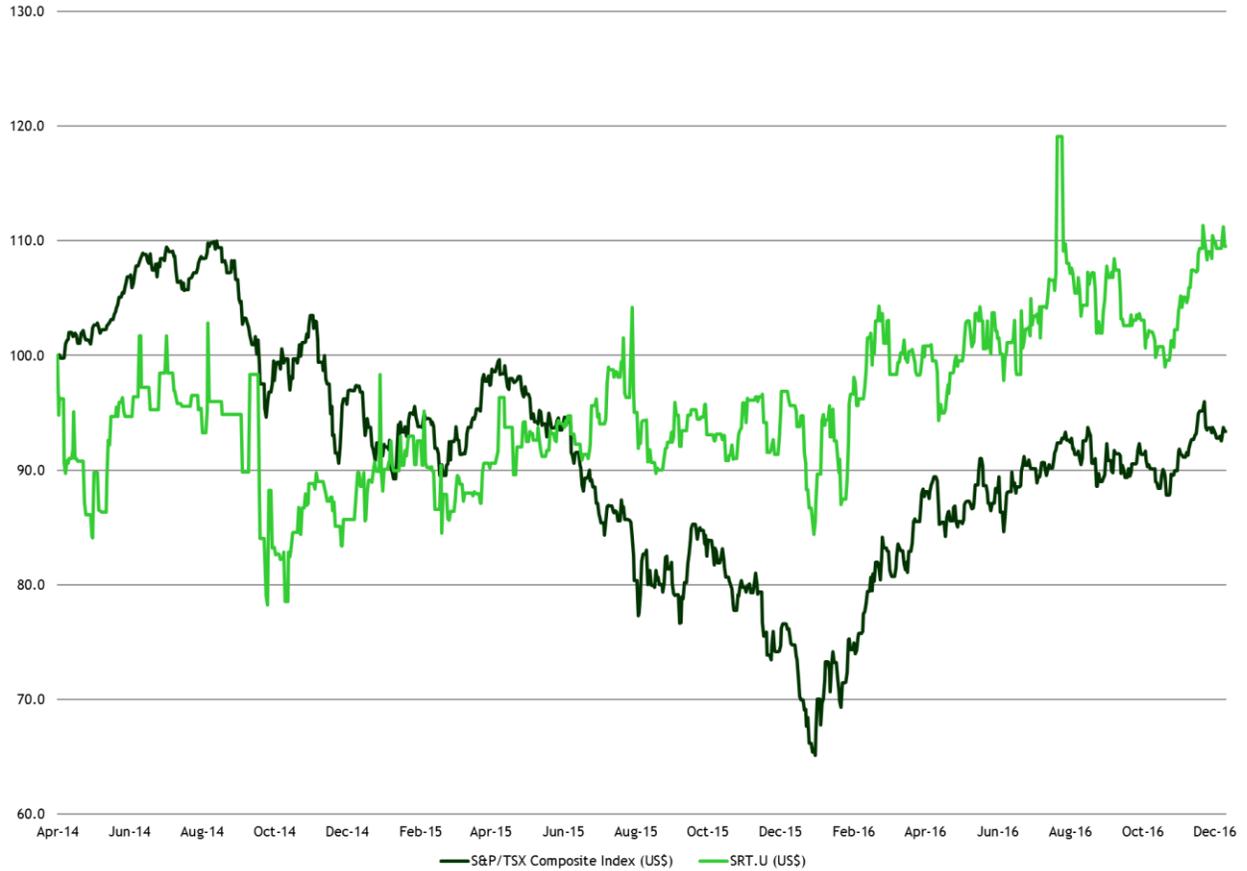

The REIT has engaged the Manager to provide Asset Management Services for the REIT under the long-term Management Agreement. The Manager and the principals of the Manager collectively own an aggregate equity interest in the REIT of approximately 6.60%. The REIT believes that the Manager's substantial ownership interest in the REIT, together with the REIT's compensation structure under the Management Agreement, which includes an incentive component as described under "*–Compensation Discussion and Analysis*", fully align the Manager's interests with those of other Unitholders. The Board has not identified any risks with the REIT's compensation policies and practices that are reasonably likely to have a material adverse effect on the REIT.

The REIT's executive officers are employed and compensated by the Manager. As a result, the Governance Committee does not determine the compensation of the executive officers and the Board has never engaged a compensation consultant or advisor.

Named Executive Officers and trustees of the REIT are prohibited from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the trustees of the REIT.

Performance Graph

The following graph shows the cumulative total Unitholder return for SRT.U (assuming re-investment of distributions) since April 15, 2014, the date the Units were listed on the TSX, in comparison with the cumulative total return of the S&P/TSX Composite Index (in U.S. dollars).

The REIT pays fees to the Manager determined in accordance with the terms of the Management Agreement, which fees do not track and are not affected by the market value of the Units. As described above, the REIT’s executive officers are employed by the Manager and the REIT does not directly or indirectly pay any compensation to them.

STATEMENT OF TRUSTEE COMPENSATION

Overview

The compensation of the REIT’s trustees is designed to attract and retain highly talented and experienced trustees. This requires that the trustees of the REIT be fairly and competitively compensated. The Board, through the Governance Committee, periodically reviews the compensation paid to the REIT’s Outside Trustees, taking into account the complexity of the REIT’s operations, the risks and responsibilities involved in being a trustee of the REIT, the requirement to participate in scheduled and special Board meetings, expected participation on the Board’s standing committees and the compensation paid to trustees of comparable entities.

The trustees of the REIT who are not officers of the REIT, the Manager or their affiliates (“**Outside Trustees**”) are currently entitled to receive an annual retainer of \$30,000, plus a fee of \$1,500 for each day on which the Outside Trustee attends either a Board or Committee meeting (other than an Investment Committee meeting, which is subject to a fee of \$750), in person or by telephone. The Chair receives an annual retainer of \$40,000, the chair of the Audit Committee receives an additional annual retainer of \$15,000 and the chairs of each of the Governance Committee and Investment Committee receive an additional annual retainer of \$5,000. Each Outside Trustee is also reimbursed for reasonable travel and other expenses properly incurred by him or her in attending meetings of the Board or any Committee meeting.

Unit Ownership Guidelines for Trustees

To ensure that the REIT's trustees' interests are aligned with those of the Unitholders, to demonstrate that the REIT's trustees are financially committed to the REIT through personal unit ownership and to promote the REIT's commitment to sound corporate governance, each trustee (other than a trustee who is an employee of the REIT or the Manager or any of their Subsidiaries) will be required to accumulate at least three times the value of the base annual trustee retainer, which as of the date hereof will equate to \$90,000 in Units or Deferred Class U Units, or a combination thereof, by the fifth anniversary of the later of (i) April 15, 2014 and (ii) becoming a trustee of the REIT (the "Unit Ownership Guidelines"). For purposes of the Unit Ownership Guidelines, securities will be valued using the greater of their market value or book value.

A trustee of the REIT who does not meet the Unit Ownership Guidelines upon his or her election or appointment to the Board will be required to receive at least 50% of the annual trustee retainer in Deferred Class U Units or to purchase Units equal in value to at least 50% of the annual trustee retainer, at his or her discretion. If a trustee of the REIT has accumulated the required equity amount under the Unit Ownership Guidelines, he or she will receive the entire annual retainer in cash or Deferred Class U Units, or any combination thereof, as specified by the trustee.

Annual Trustee Compensation

In 2016, the Outside Trustees received aggregate compensation having a total value of \$329,000. This was comprised of cash compensation of \$159,625 and Deferred Class U Units valued at \$169,375, as described further below. In 2016, Outside Trustees received a total of approximately \$18,382 in reimbursed expenses.

The following table provides details of the compensation received by Outside Trustees during the year ended December 31, 2016. For information on Brady Welch, see "Statement of Executive Compensation – Compensation Discussion and Analysis".

Trustee Deferred Unit Plan

The REIT has established a deferred unit incentive plan (the "Trustee Deferred Unit Plan") for trustees of the REIT. The purpose of the Trustee Deferred Unit Plan is to advance the interests of the REIT by enhancing the ability of the REIT to attract, motivate and retain trustees of the REIT, to reward such persons for their sustained contributions, to encourage such persons to take into account the long-term performance of the REIT and to promote a greater alignment of interests between the trustees of the REIT and Unitholders. The Trustee Deferred Unit Plan provides trustees of the REIT with the opportunity to acquire Deferred Class U Units which represent a right to receive Class U Units on ceasing to be a trustee of the REIT. Trustees of the REIT who are neither full nor part-time employees of the REIT or the Manager or any of their Subsidiaries are eligible to participate in the Trustee Deferred Unit Plan ("Participating Trustees"). Participating Trustees may elect to receive all or part of their annual retainer, meeting fees and additional compensation (including travel fees), which are paid quarterly, in Deferred Class U Units. Participating Trustees may also elect to have cash distributions on Deferred Class U Units paid in the form of additional Deferred Class U Units in accordance with the terms of the Trustee Deferred Unit Plan (the "Distribution Election").

MANAGEMENT CONTRACTS

The REIT appointed the Manager to provide the REIT with management services, including providing the REIT and its Subsidiaries with the strategic, advisory, asset management, administrative, property management, leasing, construction management and administrative services (the “**Asset Management Services**”) necessary to manage the day-to-day operations of the REIT and its properties. The Manager also provides in-house legal services to the REIT.

The Manager’s activities are subject to the supervision and direction of the trustees of the REIT. The Manager provides the Asset Management Services in accordance with the Management Agreement and makes available such administrative, executive and management personnel of the REIT to allow the Manager to comply with its obligations under the Management Agreement.

The Manager receives the following fees for its Asset Management Services:

- (a) an annual asset management fee (the “**Asset Management Fee**”) calculated and payable on a quarterly basis, equal to 0.40% of gross book value of the REIT;
- (b) an acquisition fee (the “**Acquisition Fee**”) equal to 0.75% of the gross purchase price paid for each new property (or interest in a property), including the price, due diligence costs, closing costs, legal fees and additional capital costs, payable on completion of the purchase of each property (or interest in a property); provided that no acquisition fee will be payable with respect to acquisitions from the Manager or entities managed by the Manager; and
- (c) an annual incentive fee, calculated in arrears, in an aggregate amount equal to 15% of the REIT’s funds from operation per Class U Unit (calculated assuming the conversion of all Class A Units and Class I Units into Class U Units at their respective conversion ratios and the redemption of all outstanding Class B LP2 Units and GAR B Exchangeable Units for Class U Units) as derived from the annual financial statements of the REIT in excess of U.S.\$1.28, subject to ordinary course adjustments for certain transactions affecting the Class U Units and increasing annually by 50% of the increase in the United States consumer price index. The Manager does not charge any disposition fees, property management fees, leasing fees or construction management fees.

The Manager was paid Asset Management Fees of approximately \$4.2 million and Acquisition Fees of approximately \$0.9 million for the period from January 1, 2016 to December 31, 2016.

For other terms of the Management Agreement, see “*Management of the REIT*” in the Annual Information Form.
